

# A Few Examples

Smoking Distribution  
Empirically-Based,  
Model-Based,  
Random

adams, jimi & David R.  
Schaefer. 2016. "How Initial  
Prevalence Moderates  
Network-Based Smoking  
Change: Estimating  
Contextual Effects with  
Stochastic Actor Based  
Models." *Journal of Health &  
Social Behavior* 57(1):22-38.
